

ASHRAE TC 7.6 Building Energy Performance
Program Sub Committee
Sunday June 26, 2022 11am EDT
Meeting Minutes

Program Sub Committee Meeting, Toronto Annual Meeting 2022

Attendees: (7)

Christine Reinders
Dennis Landsberg
Jim Kelsey
Ali Shirazi

Scott West
John Constantinide
Ian Cavanaugh

Programs

Sponsored Program:

Forum 2: Moratorium on Evaporative Coolers: Giving a Whole New Meaning to the Energy-Water Nexus

Chair: Dennis Landsberg

Monday, June 27 9:45-10:45 EDT

Sheraton Centre Toronto, Dominion West (2)

Co-Sponsored Program:

Seminar 14: The Importance of O&M to Energy Efficiency, Comfort, IAQ and Energy System Decarbonization

Chair: Michael Brambley

Sunday, June 26 1:30-3:00 PM EDT

Sheraton Centre Toronto, Grand East (LC)

Future ASHRAE Conferences

February 4-8, 2023 – Atlanta, GA – Technical Chair – Gary Debes

June 24 – 28, 2023 – Tampa, FL – Technical Chair – Bert Phillips

January 20-24, 2024 – Chicago, IL – Technical Chair – Suzanne LeViseur

June 22-26, 2024 – Indianapolis, IN – Technical Chair – Brian Fronk

Future Programs Discussion

Atlanta: (from Las Vegas carried forward)

- Seminar on RP 1771: Energy Modeling of Typical Commercial Buildings in Support of ASHRAE Building Energy Quotient Energy Rating Program
 - Hyojin Kim – may be good for the building simulation track
- Seminar on STD 228 - Standard Method of Evaluating Zero Net Energy and Zero Net Carbon Building Performance
 - Dennis Landsberg
- AEDG Zero Energy – Multifamily Residential
 - David Eldridge
- Guideline 14 Update: Measurement of Energy, Demand, and Water Savings
 - Dennis Landsberg
- Performance Measurement Protocols for Commercial Buildings
 - Bruce Hunn & Hyojin Kim
- Update to 90.1 – CL to check if the 90.1 committee plans to put together a program for TC 7.6 to co-sponsor. New REC definitions for 90.1 & 189.1
- Guideline 20: Documenting HVAC&R Work Processes and Data Exchange Requirement
 - Use Cases under revision – Amanda Webb

**ASHRAE TC 7.6 Building Energy Performance
Program Sub Committee
Sunday June 26, 2022 11am EDT
Meeting Minutes**

Tampa:

- Seminar on Resilience – DOD consortium
 - John Constantinide

Atlanta Winter 2023 Conference Deadlines

- **Tuesday August 9, 2022** – Debate, Panel, Seminar, Forum, Workshop Proposals Due
- **Monday August 15, 2022** – Conference Paper Abstract Accept / Revise / Reject Notifications
- **Monday August 29, 2022** – Revised Conference Papers, Technical Papers Due
- **Friday September 23, 2022** – Conference Paper Accept / Reject Notifications
- **Monday October 10, 2022** – Debate, Panel, Seminar, Forum Workshop Accept / Reject Notifications

Atlanta Tracks & Track Chairs February 2023

1. **Fundamentals and Applications:** Anoop Peediayakkan
2. **HVAC&R Systems and Equipment:** Billy Austin
3. **Refrigeration & Refrigerants:** Brian Fronk
4. **Grid Resilience & Thermal Storage:** Nohad Boudani
5. **Pathways to Zero Energy Emissions & Decarbonization:** Som Shrestha
6. **Multifamily & Residential Buildings:** Lina Maged Hashem
7. **Building Simulation & Virtual Design in Construction:** Suzanne LeViseur
8. **Operations & Maintenance:** Alekhya Kaianathbhatta
9. **Mini Track – Innovative responses to supply chain challenges**

Tampa Tracks & Track Chairs June 2023

1. HVAC Systems & Equipment
2. Fundamentals and Applications
3. Professional Development
4. Research Summit
5. Decarbonization
6. Future Proofing the Built Environment
7. Building Automation and Control Systems

Draft – Tampa Annual 2023 Conference Deadlines

Conference Paper Schedule reduced by 2.5 months

- Tuesday August 9, 2022 – Call for Abstracts
- Thursday December 2, 2022 – Paper Abstracts Due
- Wednesday December 28, 2022 – Conference Paper Abstract Accept/Reject Notifications
- Monday Feb. 27, 2023 – Debate, Panel, Seminar Form, Workshop Proposals Due
- Thursday March 30, 2023 – Conference Papers Due – Submitted for Review
- Friday April 14, 2023– Debate, Panel, Seminar, Forum Workshop Accept / Reject Notifications
- Wednesday April 24, 2023– Conference Paper Abstract Accept / Revise / Reject Notifications
- Monday May 8, 2023– Revised Conference Papers, Technical Papers Due
- Monday May 22, 2023 – Conference Paper Accept/Reject Notifications
- Friday June 2, 2023 – PowerPoint presentations due
