

**TC 1.4 Control Theory and Applications
YEA Subcommittee Meeting Summary**

Orlando – January 26, 2016

- 1) Young Engineers in ASHRAE (YEA) attendance included the YEA Vice Chair, one YEA Regional Coordinator (YRC), six other YEA Members, and six TOY's (Too Old for YEA).
- 2) Discussion Topics
 - a) The discussion started with an overview of the purpose of technical committees and a description of each TC 1.4 subcommittee's activities.
 - b) Several of the YEA members in attendance were attending a subcommittee meeting for the first time.
 - c) The questions from YEA members were mostly directed towards the activities of the YEA subcommittee within TC 1.4.
 - d) A proposed first project of the YEA 1.4 subcommittee is to film and edit the An Open Session for YEA Members presentation and then post to the ASHRAE YouTube channel and YEA's website. The ASHRAE YouTube Channel currently has about 20 videos, mostly about "The Value of ASHRAE Certifications."
 - e) A second proposed project is to put together an introductory video which gives an overview of TC1.4 purpose and activities.
