TC 7.6 Building Energy Performance – Commercial Building Energy Audits Subcommittee

<https://tc0706.ashraetcs.org/>

Atlanta GA

Sunday, February 5, 2023, 2:00 – 3:00 pm

Minutes:

1. Introductions
2. Identification of Sub-committee regular participants
 - a. Review list of core members involved in regularly attending members
 - b. Request for interest of new members
 - i. Fredric Goldner – Suggested Jeff Logarzo interest in involvement
3. Discussed committee operations
 - a. Bi-weekly meetings
 - b. Updated operations to include deep-dive sessions that have supported a lot of improved productivity.
4. Description of Sub committee
 - a. Reviewed need to update 2nd edition specifically to address adjustments for standard 211.
 - b. Identified steps to updating the document
 - i. Update the body of text. 95% complete
 - ii. Review / group editing of body of text – 72% complete (by chapter/subchapter sections) further than this based on volume of text
 - iii. Goal to complete edits and have out for TC7.6 QC review before summer conference
 - c. Next steps once body of text complete
 - i. Need to update photos, locate new photos, graphics, data.
 - ii. Updates and additions to new breakouts
 - iii. Involving ASHRAE publications for publication process. – Cindy Michaels
 - iv. There was a request for Examples to be included – or potentially directing readers to other publications that support examples.
 1. Guide to Energy Management – Capehart, Turner, Kenedy
5. Requested interest in 7.6 QC Review group
 - a. Scott West
 - b. Adam Hinge
 - c. Amanda Webb
 - d. Ali Salim Shirazi
 - e. Nicolas Long – Recommended to include someone from NREL
6. Proposed future deep dive sessions
 - a. First of each month between now and June Conference
 - i. March 6th
 - ii. April 3rd
 - iii. May 1st

Meeting Adjourned
