

TC 4.03 Honors & Awards Report

2012 Winter Meeting, Chicago

George B. Hightower Award:

- Recognizes excellence in volunteer service in the area of Technical Committee, Technical Group, and Technical Research Group activities, excluding research and standards (which have separate awards).
- No nominee was identified from TC 4.03 this year. Points-based scoring system with a rather high benchmark, requiring a high degree of participation on multiple TCs. (TC 4.03 is very active in the area of Research, but research points don't count toward the Hightower Award – see next award below instead.)
- New nominations are due September 1, 2012. Please help me identify suitable candidates from this TC, including yourself if you feel you are eligible and have never received this award.

Service to ASHRAE Research Award:

- Recognizes excellence in volunteer service in the area of Society research.
- Recent winner from TC 4.03 is Steve Taylor in 2010.
- On behalf of TC 4.03, I formally nominated **Stuart Dols** this year. He has participated on at least six research projects in the past 5 years, as a WS Author, on a PES, or on a PMS. Status is Pending.
- New nominations are due September 30, 2012. Please help me identify suitable candidates from this TC, including yourself if you feel you are eligible and have never received this award.

ASHRAE Fellow:

- Recognizes distinction in the arts relating to the sciences of heating, refrigeration, air conditioning or ventilation, or the allied arts and sciences, or in the teaching of major courses in said arts and sciences, or who by reason of invention, research, teaching, design, original work, or as an engineering executive on projects of unusual or important scope, has made substantial contribution to said arts and sciences, and has been in good standing as a full grade Member for at least ten (10) years is eligible for election to the grade of Fellow.
- On behalf of TC 4.03, I formally nominated **Iain Walker** last year, and his nomination was approved. Induction is being held at this Conference. **Congratulations, Iain!**
- New nominations are due December 1, 2012. Please help me identify suitable candidates from this TC, including yourself if you feel you are eligible.

Distinguished Service Award:

- Recognizes members who have served ASHRAE faithfully as a member of committees or otherwise giving freely of his/her time and talent on behalf of the Society. Lifetime cumulative points-based system with a minimum of 15 points required.

- See <http://www.ashrae.org/publications/detail/14643> for points tally sheet.
- New nominations are due May 1, 2012. Self-nominations are permitted.
- I am working with both **John Carter** and **Mike McDermott** of TC 4.03, and will submit their nominations for the DSA. Please help me identify additional suitable candidates from this TC, including yourself if you feel you are eligible and have not yet received this award.

Exceptional Service Award:

- Recognizes members who have served the Society faithfully and with exemplary effort, far in excess of that required for the Distinguished Service Award. Lifetime cumulative points-based system with a minimum of 45 points required.
- See <http://www.ashrae.org/publications/detail/14643> for points tally sheet.
- On behalf of TC 4.03, I formally nominated **Steve Taylor** this year.
- Nomination is pending. It will be considered by the Board of Directors at the 2012 Winter Conference. If approved, the formal award presentation will be at the Plenary Session of the 2012 Annual Conference in San Antonio.
- New nominations are due May 1, 2012. Self-nominations are permitted. Please help me identify additional suitable candidates from this TC, including yourself if you feel you are eligible and have not yet received this award.

Other Awards on my Radar:

- Andrew T. Boggs Service Award (Recognizes a past Exceptional Service Awardee for continued, unselfish, dedicated and distinguished service to the Society).
- Louise & Bill Holladay Distinguished Fellow Award (Recognizes a Fellow of the Society who continues preeminence in engineering or research). Max Sherman, 2006.
