

AEDG Update for TC 7.6

Christine Reinders

60-18-2020 – Virtual Meeting

AEDG Meeting notes for TC7.6 – June 2020

- Next publication Achieving Zero Energy Series – Multifamily Residential – has been delayed largely due to interruptions caused by COVID-19 pandemic. Published likely in October
- Looking at developing a scope for an Existing building design guide. Discussing with SSPC 100 and DOE.
- Also reviewing potential scope for updated 50% Design guides for 90.1 2019 including Retail, Warehouse, Hospital, and Highway Lodging.
- Discussions ongoing regarding an updated AEDG strategic plan and marketing plans for the Achieving Zero Energy series.
