

**ASHRAE TC 9.2 Nuclear Facilities Sub-Committee Conference Call
June 20, 2018**

Scott MacMurray, TC 9.2 Nuclear Facilities Sub-Committee Chair, called the conference call to order at 2: 05pm on 20 June, 2018.

- Members on conference call

Members Present;

Doug Abramson

Deep Ghosh

Bill Lampkin

Scott MacMurray

Tom Axley - Corresponding

Guests:

None

- Meeting minutes

No discussion

- Membership

No discussion

- Handbook:

Draft of Handbook chapter prepared by Scott MacMurray and Deep Ghosh that was distributed on 6/13/18 was discussed. One typographical error identified by Ravi Ganta (submitted by e-mail) was incorporated. Sub-committee concurred to leave MOX wording as currently written in this revision. Information will be incorporated in appropriate section (e.g. 2.2, 4.6 and 4.9) in the next revision. Sub-committee concurred to continue the effort to incorporate some of the information from the old design guide into the chapter.

Subcommittee vote 4-0-0 to forward the revised chapter to TC 9.2 for approval

Conference call needs to be scheduled in late October/early November time frame to outline what portion of the chapter major rewrite will be the focus of the 2019 Winter sub committee meeting in Atlanta.

- Other Business:

None

- Adjourn conference call at 2:5 pm
